NOTICE TO ALL STUDENTS

27.05.2020.

RE-OPENING OF THE UNIVERSITY

1. In accordance with the government directive issued on 21st May 2020 UAUT students are hereby informed that they are requested to report at the University on 1st June 2020 ready for classes which will resume effectively from that date (1st June 2020).
2. The revised academic calendar will be provided through the UAUT website on the 1st June 2020.
3. Students who have not registered for 2019/20 Semester 2 are hereby reminded to do so with immediate effect
4. All students have to be present on that day in class without fail. All hostels will accommodate students as of Saturday 30th May 2020.
5. The semester will be conducted on a crash programme basis so that students are able to cover the curricula content in time without interfering with the new academic year 2020/21 and to enable continuing students to join the succeeding academic year in November 2020, the 4th Year to graduate and to pave way for everyone to participate in the looming General Elections in October 2020
6. Take all preventive measures including washing hands, using hand sanitizers and putting face masks at all the time in order to avoid COVID-19 PANDEMIC as announced by the Ministry of Health. No student will be allowed to move within the university premises without putting on the face mask.
7. The university premises are already in line with these directives.
8. Remember to pay your tuition and hostel fees into the respective bank accounts and bring the pay-in-slip with you when you report to university..

Welcome all
