To ALL UAUT STUDENTS:

WELCOME BACK TO UAUT

Dear Students,

Welcome to the 2nd Semester of 2019/20 academic year!

I am counting on you to make this your best year yet at UAUT. We are here to support you every step of the way.

For those of you returning to UAUT as 4th Year students, we are glad to have you back as you continue your journey to the graduation stage at the end of this year 2020. For those new students who are just joining our community, we encourage you to make the most of your time here. Your university experience will be what you make it, and your opportunities will only be limited by the limits you place on yourself.

As you start the compressed 2nd Semester of 2019/19 academic year, take advantage of the many services available to help you achieve your full potential. Remember that the Library, Chaplaincy and Deanry services are here to help, whether you are an online or on-site student.

As we're into the end of the second week of the crash program, UAUT Management would like to inform you that we are pleased to have you back on campus to resume your 2nd Semester of 2019/20 studies. As you are undergoing this crash program amidst the COVID-19 pandemic, please take note of the following timelines as per revised TCU Almanac:

1. All academic activities for the second semester (including semester examinations) for 2019/2020 academic year at UAUT will start with effect from 01st June 2020 and must be concluded not later than 16th October 2020.
2. The teaching, practical training & field attachments (first year only) should be concluded not less than five weeks; currently we have scheduled the practicals for seven weeks from 24th August to 09th October 2020.
3. End of 2nd Semester University Examinations (UEs) will be held for two weeks from 10th – 21st August 2020. The 4th Year Final Project Defense (CoET) will be held from 24th to 28th August 2020.
