● CHANCELLOR'S MESSAGE

Today, we are especially honored to welcome esteemed guests from Korea. Among us are Bishop Chul Lee of CTSI Company, Bishop Jung Seok Kim of the Korean Methodist Church, Rev. Young Geol Kim, Moderator of the Presbyterian Church of Korea (PCK, Tonghap), and Rev. Jong Hyuk Kim, Moderator of the Presbyterian Church in Korea (Hapdong). These leaders have greatly contributed to the advancement of God's Kingdom, not only in Korea but also across the world, through the proclamation of the Gospel and Christian education.

The presence of our distinguished guests today reminds you that you are not alone. Around the world, there are people who trust on you, support you, and pray fervently for your success.

UAUT CHANCELLOR
DR. KYUNG CHUL KAM.

Participant attended AI Training hosted at UAUT

The United African University of Tanzania (UAUT) recently conducted a comprehensive Artificial Intelligence (AI) training program aimed at equipping staff and students with essential knowledge and practical skills in emerging digital technologies.

The training introduced participants to the fundamentals of AI, its real-world applications, and its growing influence on education, business, and society.

This initiative underscores UAUT's commitment to innovation, academic excellence, and digital transformation by preparing its academic community to effectively engage with modern technological advancements. Through interactive sessions and hands-on learning, participants gained valuable insights into how AI can enhance productivity, research, and decision-making across various disciplines.

The AI training represents a significant step toward strengthening technological capacity at UAUT and positioning the university as a forward-looking institution in the era of artificial intelligence.

UAUT HOSTS AI FORUM WITH PROF. ANTHONY CHOI FROM MERCER UNIVERSITY, USA

The event not only marked the successful completion of days for training but also strengthened academic collaboration between UAUT and Mercer University. Participants expressed their appreciation for the impactful learning experience, which has paved the way for new initiatives in AI research and application at UAUT.

UAUT's Vice Chancellor commended Prof. Choi for his commitment and dedication, noting that such international partnerships are vital in positioning UAUT as a center of excellence in technology and innovation.

The United African University of Tanzania (UAUT) successfully concluded intensive Artificial Intelligence (AI) training program, which culminated in a special AI Forum conducted on campus. The forum was led by Prof. Anthony Choi from Mercer University, USA, who has been instrumental in equipping participants with cutting-edge knowledge and practical skills in AI.

During the forum, Prof. Choi highlighted the future of AI in education, research, and industry, emphasizing the importance of preparing the next generation for the opportunities and challenges of the digital age. Students, staff, and invited guests actively engaged in discussions, showcasing how AI can be harnessed to drive innovation and development locally and globally.

"AI is not just about technology it is about people and how we can use innovation to improve lives. The knowledge shared here at UAUT will empower students and professionals to lead the way in creating solutions for the future," Prof. Choi remarked during the forum.

UAUT and Handong Global University Host UNITWIN Program to Inspire Innovation Among Tanzanian Youth

The United African University of Tanzania (UAUT), in collaboration with Handong Global University of South Korea, successfully hosted the UNITWIN (University Twinning and Networking) Program, a transformative initiative aimed at nurturing creativity and innovation among the young generation of Tanzania.

The program brought together students, lecturers, and invited guests for an interactive series of workshops, lectures, and practical sessions designed to equip participants with the mindset and skills necessary for problem-solving in the modern world. Through UNITWIN, the organizers emphasized the importance of innovation, entrepreneurship, and global collaboration as tools for empowering the next generation of leaders.

At the opening of the program, facilitators from Handong Global University underscored the role of youth in shaping the future of societies and highlighted education as the foundation for sustainable development. The sessions encouraged participants to think beyond traditional approaches, embrace technology, and develop solutions that address real challenges in communities.

Students who participated in the program expressed excitement and appreciation for the knowledge and inspiration gained. Many noted that UNITWIN had given them a fresh perspective on how to apply their studies to solve pressing issues in areas such as technology, business, and community development.

“This program has shown our students that innovation begins with ideas and grows through collaboration. We are proud to be part of UNITWIN’s global network, which opens doors for Tanzanian youth to learn, share, and lead in creating solutions for today and tomorrow,” a UAUT representative said.

UAUT UPDATES

Chancellor and Guests from Haneul Central Church Korea visited UAUT for Haneul Hall Dedication Worship.

On 15TH September 2025, UAUT had the great honor of welcoming a delegation from Haneul Central Church, Korea, who came to Tanzania to participate in the dedication worship of Haneul Hall. The newly dedicated hall stands as a symbol of partnership, faith, and the strong relationship that has been built between Haneul Central Church and UAUT/UATC over the years.

The guests not only attended the worship service but also took time to visit UAUT/UATC, where they toured the campus and interacted with university staff and students. Their presence was a true blessing, marking yet another milestone in the growing cooperation between UAUT and Haneul Central Church.

This visit reaffirmed the commitment of both institutions to work together in advancing education, spiritual growth, and development. The dedication worship was filled with joy, thanksgiving, and prayers for the future use of Haneul Hall as a place that will serve both academic and spiritual purposes for generations to come.

UAUT CHOIR PERFORMANCE AT HANUEL HALL DEDICATION WORSHIP

The UAUT Choir Team added great spiritual value to the Hanuel Hall Dedication Worship through powerful songs of praise and worship. Their performance created a reverent and uplifting atmosphere, leading the congregation into a moment of thanksgiving and dedication to God.

With unity, discipline, and heartfelt worship, the choir demonstrated musical excellence and spiritual commitment. Their ministry through song played an important role in marking the significance of the Hanuel Hall dedication, reminding attendees of the role of faith, harmony, and service in the life of the university.

HANEUL HALL DEDICATION SERVICE

The Dedication Worship of Haneul Hall was a special spiritual event held to officially commit the hall to God for His purposes. The worship service brought together university leadership, staff, students, and invited guests to thank God for the completion of Haneul Hall and to seek His guidance, protection, and blessings for all activities that will take place within it.

Dedication worship is a long-standing Christian tradition in which a building or space is set apart for service to God. Through prayers, scripture readings, praise, and thanksgiving, the community acknowledges that all achievements come from God and that the facility is entrusted to Him.

The event also served as a moment of gratitude to God, the university administration, donors, builders, and all stakeholders who contributed to the successful completion of Haneul Hall. Worship songs and biblical reflections created an atmosphere of reverence and joy, reminding attendees of the importance of faith in academic and community life.

The Dedication Worship marked not only the opening of a physical building but also the beginning of a new chapter of service, purpose, and responsibility. Haneul Hall now stands as a symbol of faith, commitment, and hope, dedicated to nurturing both academic excellence and spiritual values for generations to come.

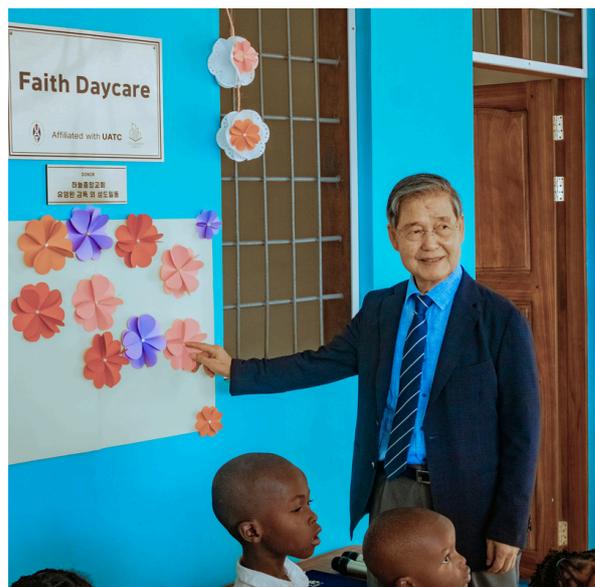

Celebrates the Reopening of Faith Kindergarten and Its Renewed Vision

Following the dedication of Hanuel Hall, the university community proceeded to the official reopening of FAITH Kindergarten School after the successful completion of major renovation and modification works. The reopening marked an important milestone in strengthening early childhood education and improving learning facilities for young learners.

The upgraded FAITH Kindergarten School now offers an improved learning environment designed to support children’s holistic development, safety, and well-being. The modifications reflect the institution’s commitment to providing quality education from an early age, supported by modern facilities and child-friendly infrastructure.

The opening ceremony was filled with gratitude and hope as leaders, staff, and invited guests celebrated the renewed vision of nurturing young minds through quality, values-based education. The reopening of FAITH Kindergarten School stands as a testament to continued investment in education and community development.

The reopening of FAITH Kindergarten School also highlighted the institution’s broader commitment to serving the surrounding community by creating a strong foundation for lifelong learning. By investing in quality early childhood education, the institution reinforces the importance of nurturing academic readiness, moral values, and social development from an early age, ensuring that children are well prepared for their future educational journey.

UAUT Chancellor placing Flower at Faith Day Care celebration

Chancellor of UAUT and all guests symbolically placed flowers as a gesture of celebration and thanksgiving, marking the joy and significance of the occasion. This act represented new beginnings, growth, and appreciation for the successful dedication of Hanuel Hall and the reopening of FAITH Kindergarten School.

United African University of Tanzania Hosts Engaging Information Day for Prospective Students

The United African University of Tanzania (UAUT) recently hosted an engaging Information Day aimed at providing prospective students, parents, and the wider community with detailed insights into the university's academic programs, campus life, and admission processes. The event showcased UAUT's commitment to transparency, quality education, and community engagement.

During the Information Day, attendees had the opportunity to interact with faculty members, administrative staff, and current students, who provided firsthand information about courses, facilities, scholarships, and student support services. Interactive sessions, presentations, and campus tours allowed visitors to gain a comprehensive understanding of the university's offerings and vibrant learning environment.

The event also highlighted UAUT's focus on innovation, research, and holistic student development. Attendees were encouraged to explore various academic paths and were guided on the application and enrollment process, ensuring that prospective students are well-informed and prepared to join the university.

UAUT Information Day continues to be a key initiative in promoting higher education opportunities, strengthening community engagement, and attracting talented students to join the university's growing academic family.

DVC ARC GIVING THE PRESENTATION ABOUT UAUT IN ACADEMIC AFFAIRS

During the Information Day, the Deputy Vice Chancellor for Academic and Research (DVC ARC) delivered an insightful presentation on UAUT's academic programs, research initiatives, and strategic vision for the future. The DVC highlighted the university's commitment to providing quality, globally competitive education while fostering innovation, critical thinking, and practical skills among students.

PARTICIPANTS HAVE FUN PLAYING CHOPSTICK GAME AT UAUT INFORMATION DAY

The United African University of Tanzania (UAUT) Information Day offered more than just presentations and campus tours. Participants also took part in interactive games designed to foster teamwork, creativity, and engagement. Among the activities, the chopstick game stood out as a fun and challenging exercise that encouraged focus, coordination, and friendly competition.

These games were not only entertaining but also provided an opportunity for participants to bond, network, and experience the lively spirit of campus life at UAUT. By combining education with recreation, the Information Day created a memorable and engaging experience for all attendees, highlighting the university's commitment to holistic development and community interaction.

The Director of CTS, Mr. Kim, delivered an inspiring speech highlighting the importance of collaboration, innovation, and practical skills in higher education. He emphasized the role of CTS in supporting academic excellence, student development, and the integration of technology and training to prepare learners for real-world challenges.

Mr. Kim also encouraged participants to take full advantage of the opportunities available at the United African University of Tanzania, noting that strong partnerships and continuous learning are key to building competent and responsible future leaders.

UNITED AFRICAN UNIVERSITY OF TANZANIA CELEBRATES THE 10TH GRADUATION CEREMONY WITH JOY AND EXCELLENCE

**SMILES OF SUCCESS AS STUDENTS
CELEBRATE GRADUATION**

THE TEACHING FACULTY

**UNIVERSITY CELEBRATES GRADUATION
CEREMONY HONORING SUCCESSFUL GRADUATES**

GUEST OF HONOR GIVING SPEECH ON 10TH GRADUATION

Distinguished Vice Chancellor, respected faculty, staff, proud parents and guardians, esteemed alumni, and most importantly, the graduating class,

It is a great privilege and honor to be part of this historic 10th Graduation Ceremony. Today, we celebrate a significant milestone not just in the lives of these graduates but also in the journey of this esteemed institution, which has, over the past decade, nurtured knowledge, character, and leadership.

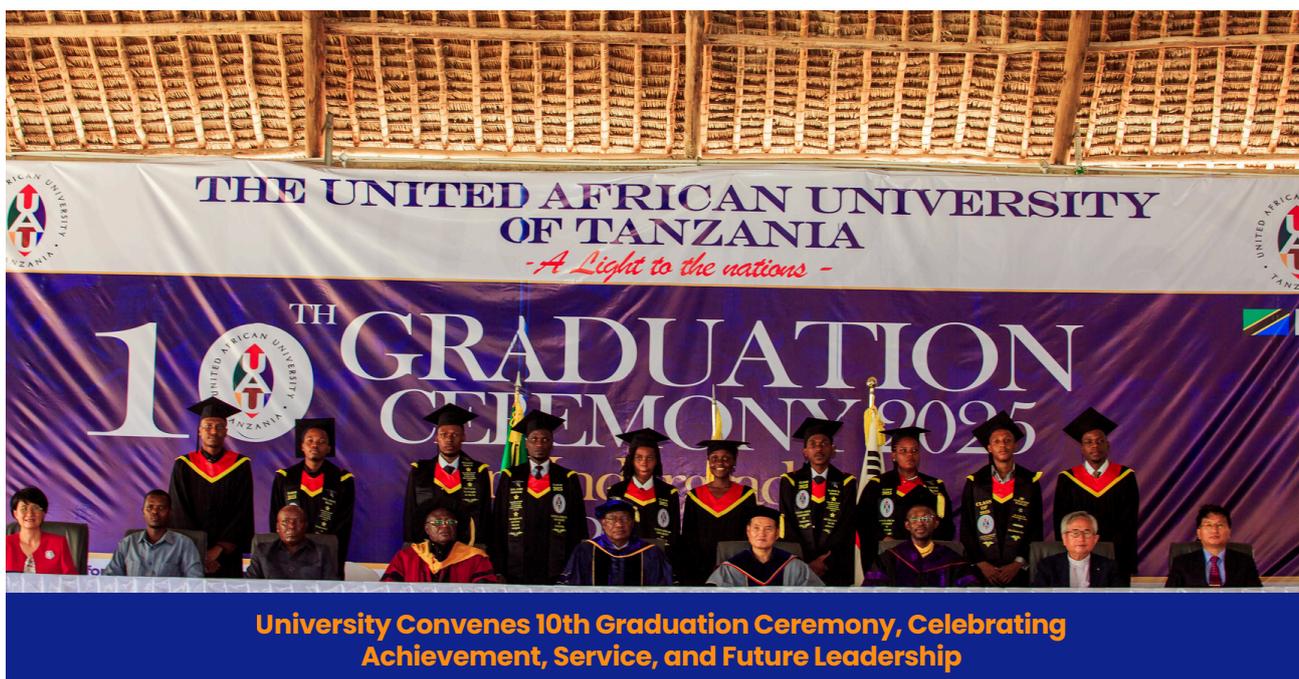

VICE CHANCELLOR GIVING SPEECH ON 10TH GRADUATION

Distinguished guests, faculty, staff, parents, guardians, alumni, and most importantly, our graduating students,

It is with great joy and pride that I welcome you all to the 10th Graduation Ceremony of our University a milestone that marks a decade of academic excellence, growth, and service to our society. Today, we gather to celebrate your achievements, honor your hard work, and acknowledge the support of everyone who has journeyed with you.

University Convenes 10th Graduation Ceremony, Celebrating Achievement, Service, and Future Leadership

The University successfully held its 10th Graduation Ceremony, marking a significant milestone in its academic journey and celebrating a decade of excellence in higher education.

The ceremony brought together university leadership, faculty members, graduating students, parents, guardians, alumni, and invited guests to honor the academic achievements of the graduating class.

The event was presided over by the Chairman of the Council and Vice Chancellor, alongside members of the University Council and Management. In their addresses, university leaders congratulated the graduands for their perseverance, discipline, and commitment to learning, while encouraging them to uphold integrity, professionalism, and service as they transition into the next stage of their lives.

During the ceremony, degrees and certificates were conferred upon graduates from various academic programs, reflecting the University's continued growth in academic offerings and student enrollment over the past ten years. Outstanding students were recognized for exceptional academic performance, leadership, and contribution to the university community.
